

WAIT A MINUTE ...

Define Watches has just launched its full range of imported German ladies' and men's timepieces in Australia. Featuring sleek, understated design and attention to detail, the strikingly beautiful Kerala collection for women has a Top Wesselton diamond-encrusted bezel and an elegant mother-of-pearl dial. Visit www.definewatches.com.au.

Mineral protection

More than just mineral make-up, Invisible Zinc Tinted Daywear is a complete three-in-one moisturiser. It contains micronised zinc oxide, sunscreen and sheer foundation for everyday superior UVA and UVB protection. The light-reflective properties of Invisible Zinc Tinted Daywear not only give serious protection, but make skin look great. Visit www.invisiblezinc.com.

HEAVY METAL

The '09/'10 Dsquared2 Eyewear collection by Tom Ford features large glasses embellished with polished metal details. The stand-out piece in the collection is the DQ39 (pictured above). Its acetate frame traces unusual silhouettes, and its edges are embellished with elegant metal decorations. Visit www.tomford.com.

Splash of summer

Bombay Sapphire brings you three limited-edition gift packs this summer: Bombay Sapphire Martini, Bombay Sapphire and Tonic and Bombay Sapphire Collins. Available from bottle shops until stocks last. Visit www.bombaysapphire.com.
